

2016 AMERICAN FALLS GIRLS BASKETBALL SKILLS ACADEMY 4TH-6TH Grades

DESCRIPTION:

An academy structure, in contrast to the traditional recreational youth leagues, focuses on developing the core fundamentals of individual athletes preparatory to the player's entrance into truly competitive leagues. The academy will be run under the direction of the AFHS Head Girls Basketball Coach and the AF Parks and Recreation Director, who will then use a network of volunteer parent-coaches to help run the skills clinic. Through the focus of the academy would be skill development, there will still be live scrimmages and other competitive drills to help players (and coaches) practice competing the right way.

SCHEDULE: American Falls Intermediate School

Skills Clinic Dates:

- | | |
