

Our Community – COVID-19 – Essential Update

By: Mayor Marc Beitia

How you can help us help you:

- **Please practice Social Distancing** – 6 to 10 feet of separation between each other
- **Please practice Respiratory Hygiene** - sneeze or cough into your bent elbow
- **Please wash your hands frequently** - especially after touching hard surfaces and door knobs
- **Please disinfect hard surfaces regularly** – counter tops and door knobs
- **Please try not to touch your face** – eyes, nose or mouth
- **Please stay home if you are sick** – contact your healthcare provider

Thank you, to the **29 donors** who delivered the much-needed perishable groceries and supplies today. You made a huge difference to **15 households** this afternoon. More donations will be needed as we face what is to come; but, together we can all make American Falls the very best place to live, even in times such as these. Thank you all for doing your part! You do make a difference.
